LET'S Take a look at the past twelve years. Ah, what memories they hold for us. Remember your first day of school? Your mother walked you up to the steps and tried to reassure you, but no matter what she said, you were still terrified. But you entered your room, suddenly you realized school wasn't that bad after all.

You learned how to read and write, add and subtract. And you took that important step - being independent.

For the first time in your life you were on your own, and actually liking it! $2+2=4$ ☺

The next step was Carter G. Woodson. It was hard to adjust to having six different teachers and classes like band and choir. We all went through changes then. Remember your first day with braces? You were so embarrassed that you wouldn't even smile, until you went into class and saw that half of the other kids had them too! How about having to dress out for gym class? Who wanted to wear those dumb gym suits anyways?!

We all had fun anyways. We played football, softball and other activities outside. Fashions came and went. The big fads were toesocks, Nike' tennis shoes, platform shoes and cordorays. Next came James E. Mallonee, what a Change! We got to pick the courses we took and we had homerooms. Fire drills, demerits and assemblies were all parts of the daily school routine. Remember your excitement at being chosen for the football team or even being a cheer leader for the first time? How about the time you made a lamp in shop that exploded the first time you plugged it in. Or the dress you made in Home Ec class that fell a-part when you tried it on!! We sure learned alot! Especially from our mistakes. We matured emotionally as well as physically. Steady boyfriends and girlfriends were suddenly the "IN" thing. Everyone needed someone to be with.

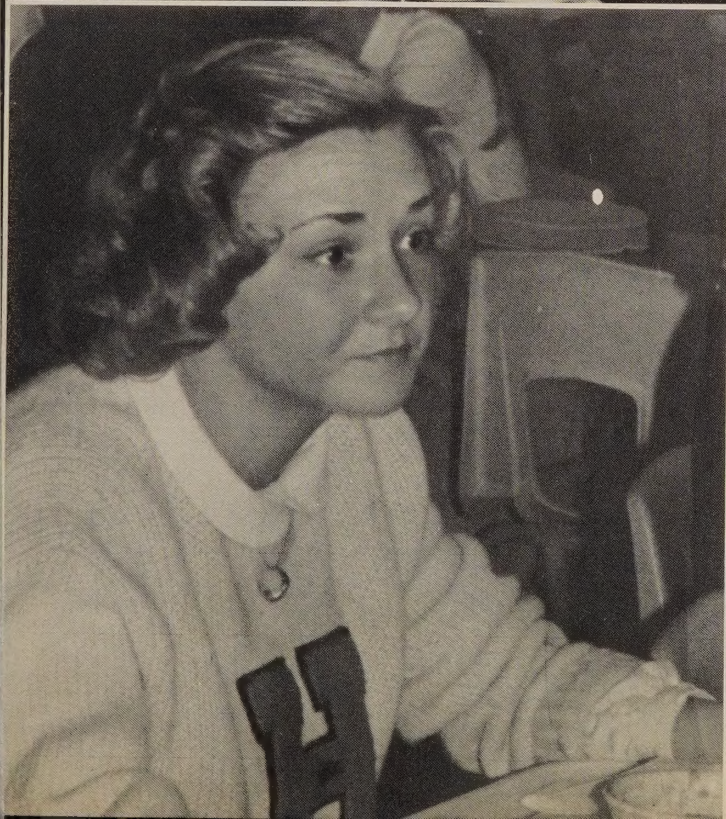

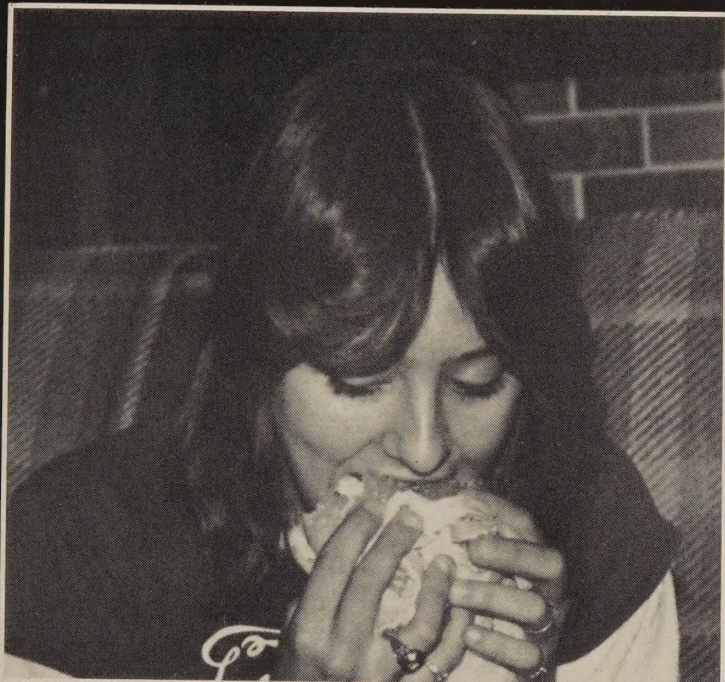

Then came the Big Step!! - Hopewell High.

We were all scared that first awful day - wondering how to get to class and constantly getting lost. We all hoped to be accepted and eventually we were.

Remember your Sophomore year? Organizing fundraising events and electing officers were all big parts of 10th grade life. You attended your first formal dance - The Sophomore dance. What a special night. You took your family car and enjoyed a date with all your friends at the dance. You took your first exam, Remember that Biology exam? You were so sure you failed and were so excited when you found out you did well. Before you knew it you were a JR. Finally you really felt like someone. You went to the Ring dance and received your symbol of being a high school student - your class ring. How about the Miss Hopewell High Pageant?

Remember how nervous you were? But it was all over in a second, and it was fun too! How about the first time you started in a football game? You were nervous, but as you started to play, you became excited. When you won, you felt really good.

You enjoyed clubs, games & regular school life. All of a sudden it dawned on you — you were upperclassmen, A SENIOR! You held your head high as you walked down the hall. Remember the homecoming? It was so sentimental and you cried because you knew it was your last Homecoming game. How about the Senior circle at our last home game against Monacaon and that circle was the first time we united as Seniors of the class of 81. The following week was Spirit week and we again joined to show our Class unity. How about the Senior Mister pageant? It was so embarrassing to dress and act like a girl. But so what! all you friends were doing it too! Concerts, food fights and just goofing off made the year special. You never realized you could become so close to the people in your Class.

Jr. Sr. Prom. What a beautiful night. You never imagined you could have so much fun in the old gym.

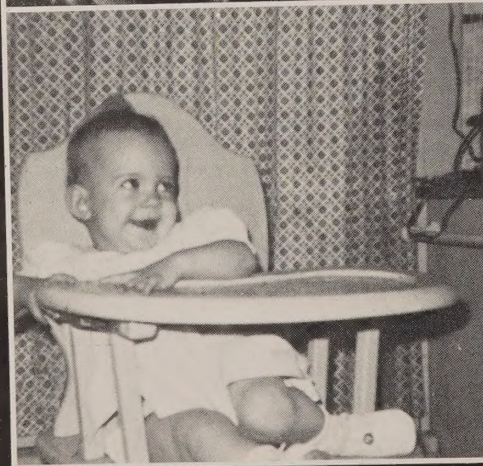

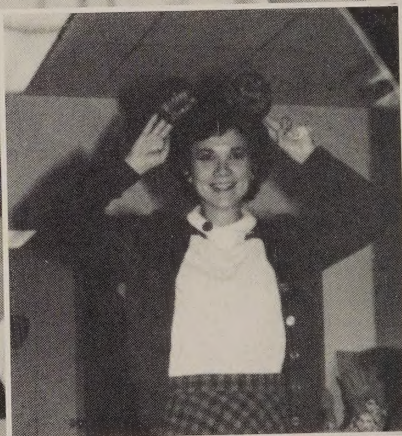

The decorations and food were wonderful, but you knew it was the beginning of the end —

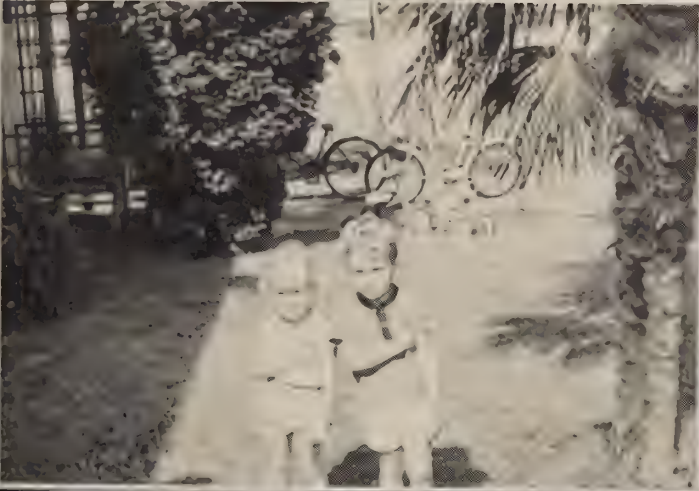

Class of 1981 HHS

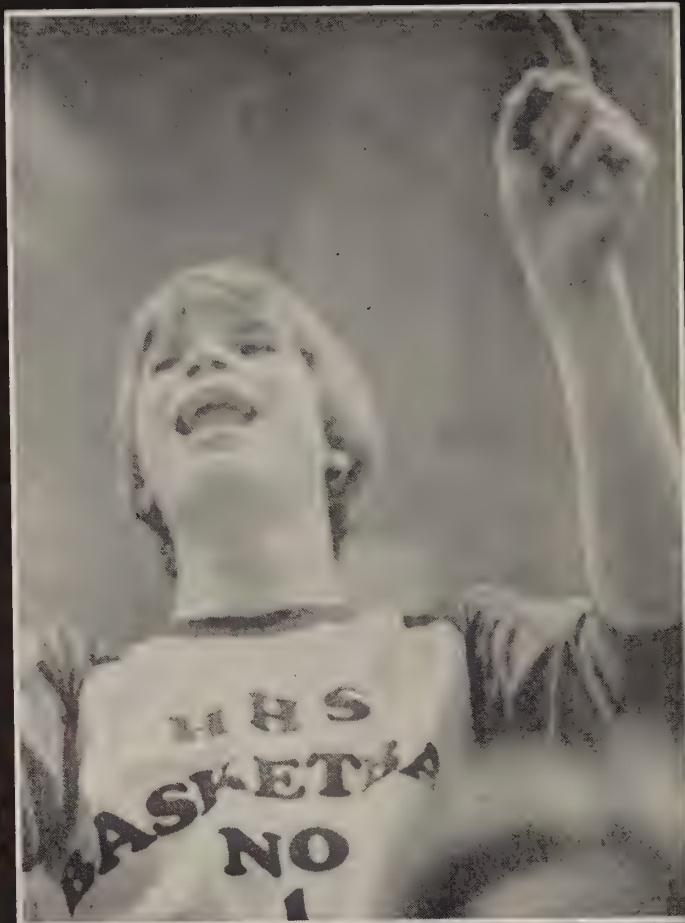

Some of us shared common ideals and values. But all of you shared one common goal — Graduation!!

During our past twelve years we've made lots of memories. Do you remember a handful of them? Take a look in our Memory book and see if you remember days past.

BILL MACKEY 1947 — 1980

THE POWER OF PRAYER

Pure faith—only the size of a mustard seed
 Can move a mountain—can heal me.
 Ask and ye shall receive—the words of above
 Jesus our Savior heals through his love.
 Cancer was in my body—but no more
 I have faith in prayer, I have received a cure.
 There are tests to take for the doctors aren't sure,
 Not in my mind, for my faith is pure.
 When the tests are completed, no cancer in sight,
 My body will be a witness of the Good Lord's might. Lift up
 the bed and walk Jesus did declare,
 I will do the same because of the Power of Prayer.

DANNY MORRIS—MR. KALEIDOSCOPE

The faculty and Kaleidoscope staff of Hopewell High voted Daniel Morris as Mr. Kaleidoscope which is awarded to the most outstanding student in the senior class during the past school year. He has shown excellence in the field of academic achievement, being a member of the top ten of his class, the Vice-President of the National Honor Society and Beta Club. He was also a major contributor to the Hopewell Cross Country Team's win-

ning season. Danny also possesses a great degree of responsibility having been the President of his junior class and having held several major offices in the senior class and in other clubs. Danny also has what is often termed "personality plus". His sense of humor has often made unbearable classes bearable, and his warmheartedness has touched all those that have known him well.

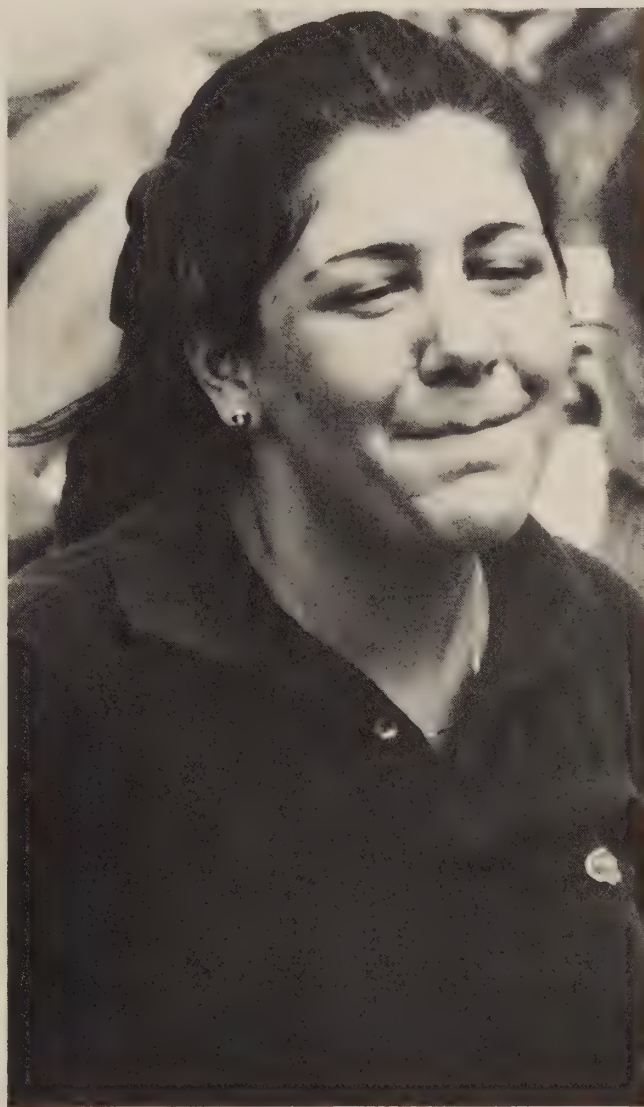

MISS KALEIDOSCOPE—SHERRI ELIADES

The faculty and Kaleidoscope staff has rewarded the prestigious Miss Kaleidoscope Award to Sherri Eliades. Sherri has been extremely involved in different school functions and has shouldered the responsibility of being President of her sophomore class and of the Key Club. She has also held a multitude of major offices in the junior and senior classes and in several other clubs. Although she is a "jack of all trades", she has been able to master her performance on

the girls' Tennis Team and highly contributed to their outstanding season. Sherri has excelled academically, being in the top ten of her class, one of two students who were chosen to attend the Governor's school for the gifted, and also being a member of the National Honor Society and Beta Club. Sherri will always be noted for her outstanding personality and her ability to make a miserable day into a cheerful one for those around her.

1981 YEARBOOK DEDICATION—

ELIZABETH FURR

"Toughest Teacher In The School"

The 1981 Kaleidoscope is dedicated to *Elizabeth Furr*, a mathematics teacher who has taught at HHS for over thirty years. Students claim that she is "extremely tough, but a great teacher". Mrs. Furr spends a great deal of time after school tutoring students, preparing lessons (her famed overhead projects) and helping with the Battle of the Brains team. She is greatly respected by students and faculty for her dedication and her professionalism. In all truth though, she is preceded by a reputation that causes students to exclaim "If you can pass Mrs. Furr, you can pass anybody."

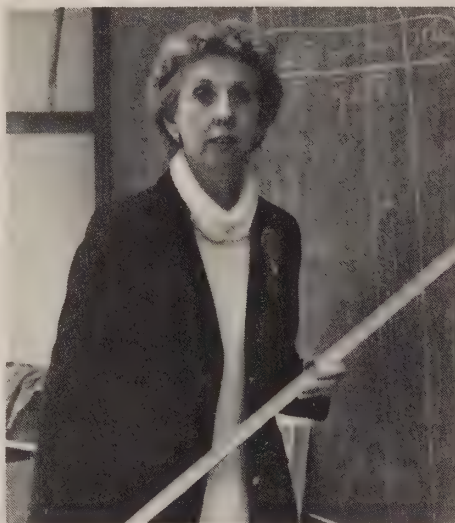

Candidates for the faculty dedication included; *Mike Hayes*, a science teacher who is relatively new to the HHS faculty. Mr. Hayes has already made his mark here by sponsoring the Senior Class, the Debate Team, and the Chess Club. He is definitely what students would call a "fast talker" and he also can be found working hard in the school long after it has closed.

"Red" Bailey was also nominated. He is the printing teacher here and he has been a special friend to the yearbook staff. He has supplied equipment, materials and know-how to Kaleidoscope photographers. Students and faculty are drawn to him because of his good natured humor.

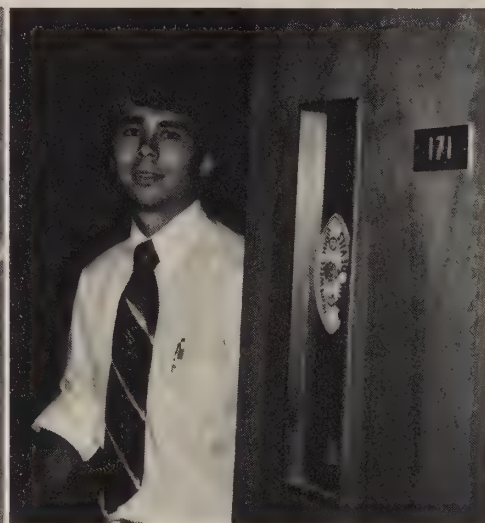

Another nominee was *Stuart Moorefield*, a social studies teacher who teaches world and U.S. History. Students speak highly of Mr. Morefield as being very patient, trusting and understanding.

Don McMillian, an English teacher and the drama coach at HHS was also a nominee. "Mr. Mac" spends hours at the high school working on shows and teaching students the technical and production sides of show business. Known as a king of one-liners and of bad puns, he has also taken his share of practical jokes. However, he never comes up on the "short" side of the stick.

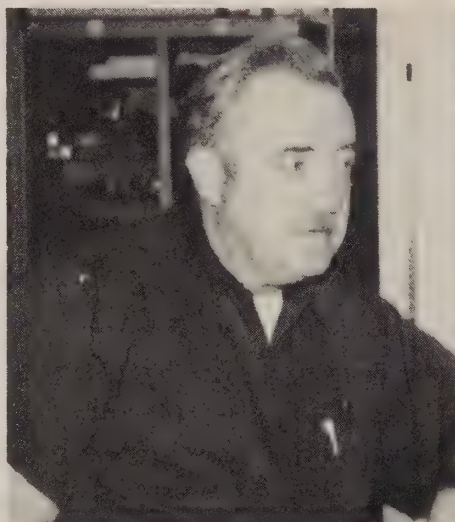

The final nominee was *Frank Whipp*, a government teacher and repeated winner of the senior choice for favorite teacher. Mr. Whipp is known around school as a difficult, demanding but extremely interesting teacher. He has also developed a reputation for being quick with comebacks and wisecracks.

HOPEWELL HIGH SCHOOL

The Blue Devil Varsity Baseball team faced a very long season this year. Their 3 and 15 record is deceiving because two of their losses came by the state semi-finalist, Dinwiddie by 1-0 and 3-2 respectfully.

Their bright spots were when the team started off with a bang by beating Prince George 6 to 4. The Devils also beat Manchester (9-3), and Marshall Walker (3-1).

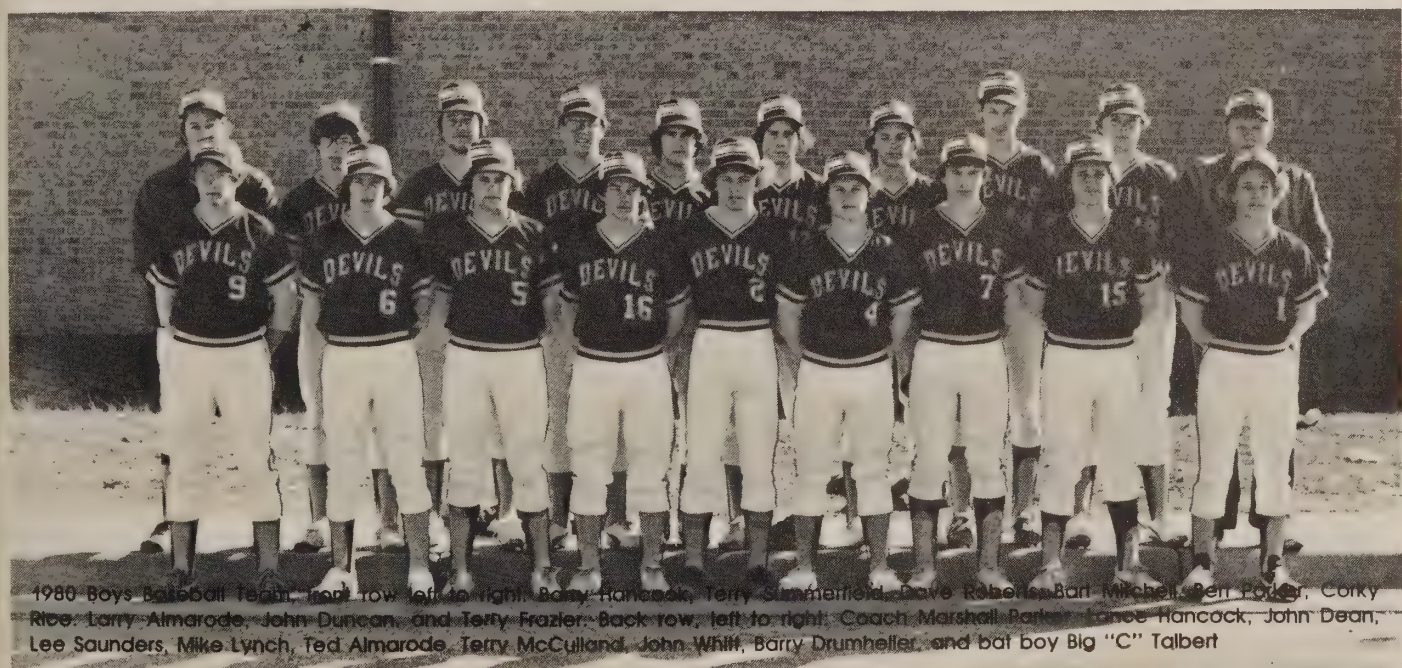

Corky Rice received the MVP award, Lance Hancock won the batting trophy with a .385 batting average. John Dean won the RBI (runs batted in) trophy with an output of 7, Lee Saunders won the President's award, and Barry Drumheller received the "Most Spirited" trophy.

Barry Hancock prepares to make a double play.

Dennis Parrish fires the ball into home plate.

Back row, left to right: Coach Marshall Parker, Lance Hancock, John Dean, Lee Saunders, Mike Lynch, Ted Almarode, Terry McCulland, John Whit, Barry Drumheller, and bat boy Big "C" Talbert

JV BASEBALL TEAM HAS STRONG SEASON

Ricky Marshall eyes the pitcher.

Tommy Norris at the plate.

The Junior Varsity baseball team under new coach, Tommy Bell, faced yet another winning season. Ricky Saunders led the team in batting with a .500 plus average. Ricky Marshall got his hits too.

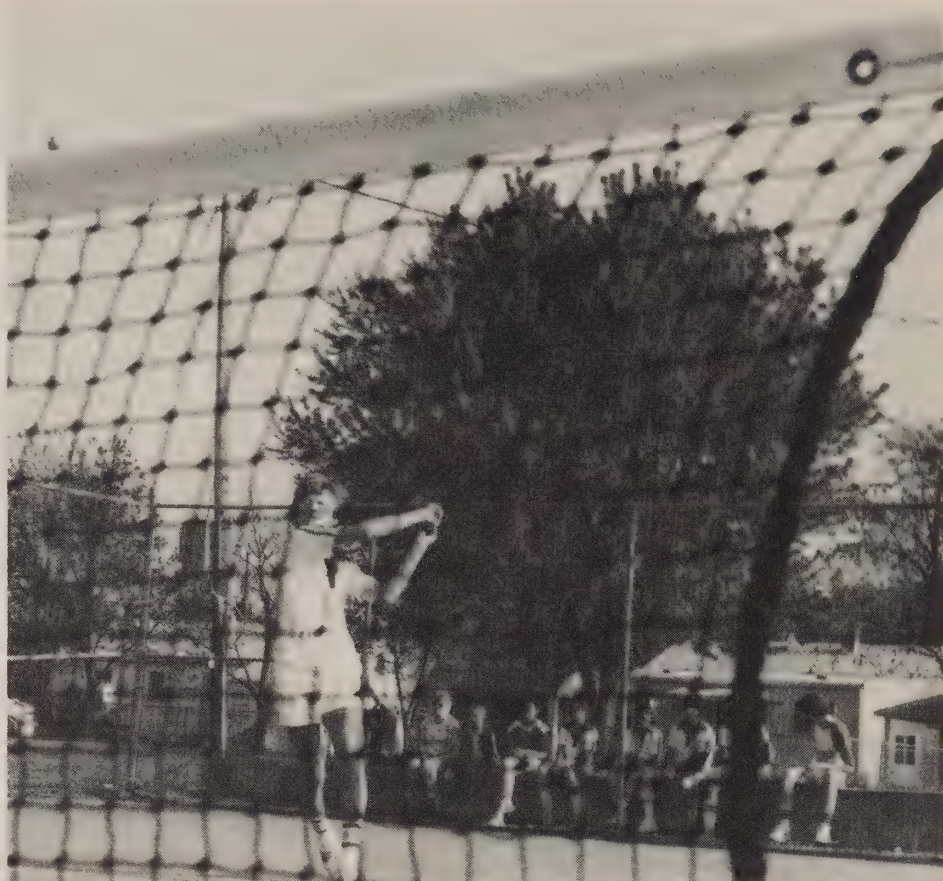

The power attack was led by Tim Galderise along with Tommy Norris and Tim English. Galderise was a top-notch pitcher this year along with Tommy Norris. This JV Team could become a great asset to Hopewell Baseball in the next two years.

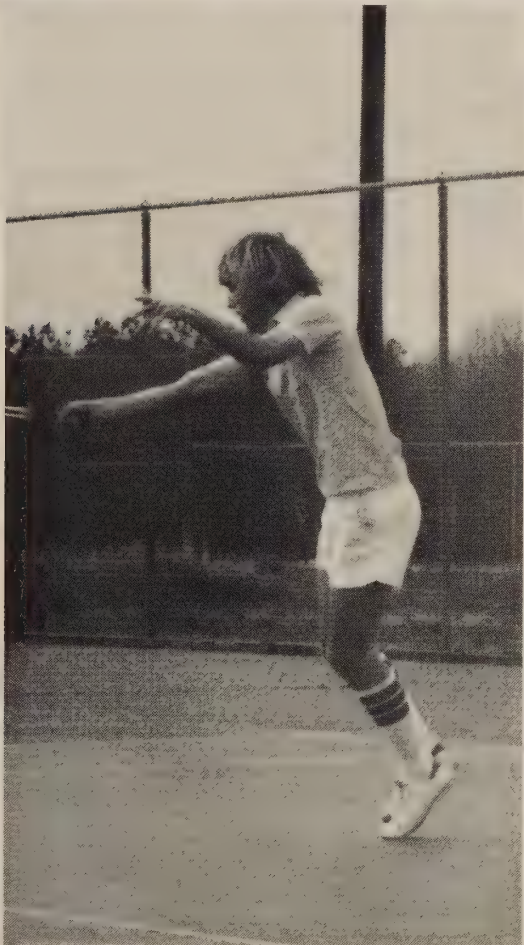

Ricky Saunders keeps his eye on the ball.

BOYS' TENNIS TEAM

The HHS Boys' Tennis Team under Coach Larry Landis celebrated a very fine year last year. The team came in second behind a very tough Midlothian Team in the District. This is the first time in a long time that the Tennis Team went to the Regionals as a team. This was Landis' second year as Tennis Coach. In two years, he has compiled a very formidable record. Tennis Team member Brian Szafranski will be back along with Mark Timmons, Bruce Townes, Ron Wellington, John Rives, Frank Parker, and others. The Team should show more poise this year as a once "young" team is now experienced. Page 84 Clockwise: *Brian Szafranski* plays the net well, *David Sturkey* keeps his eye on the ball, and *Bruce Townes* is ready to serve. Page 85 Clockwise: *Mark Timmons* looks at the ball, *Brian Szafranski* attacks the net, *Bruce Townes* looks ready, and *David Sturkey* shows good form.

OUTLAW STAR OF 1980 BOY'S TRACK TEAM

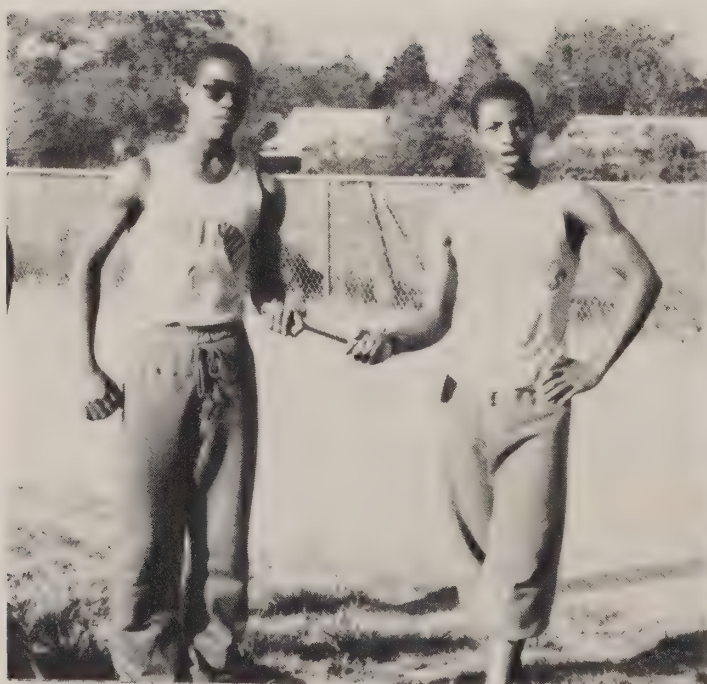

Although the Varsity track team did not win a meet, their season was highlighted with the presence of many talented athletes. Wayne Outlaw, Nick Klonis, and Alphonzo Harris seemed to carry the lead all year. Klonis placed third in the district whereas Outlaw placed first in the 100 meter run. Outlaw then went to the regional meet, and then on to represent HHS in the State track meet.

The girl's track team ended their year on a promising note. They lost all of their meets, but in some, came very close to winning. Tracy Thayer, Becky Riddle, and Barbara Mueller seem to show the other teams a taste of competition. Only five girls were on the track team last year. Maybe in the future the track program at HHS will build up interest.

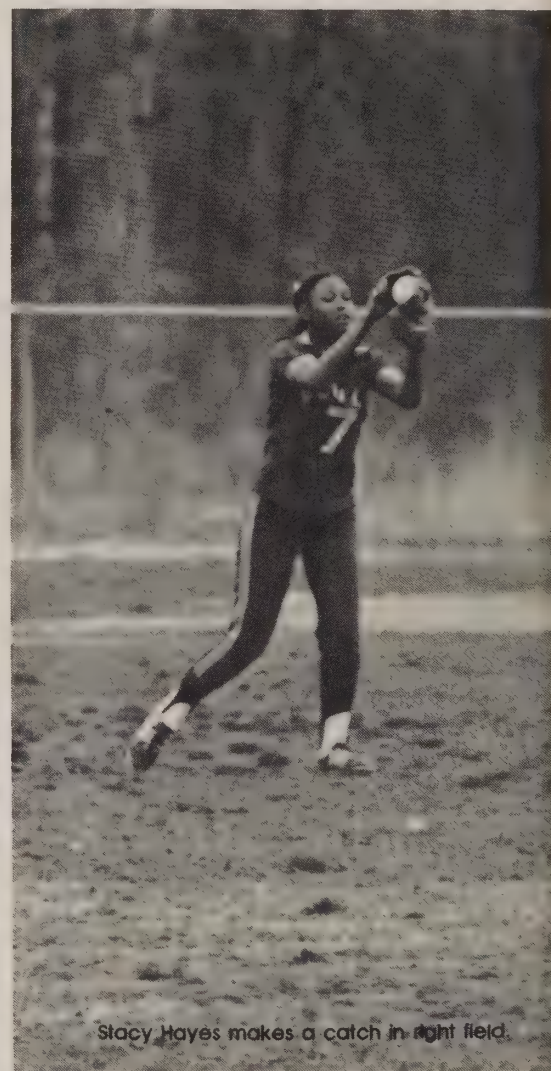

HHS SPRINTS TO A FIGHT

GIRLS ENCOUNTER FAIR SEASON

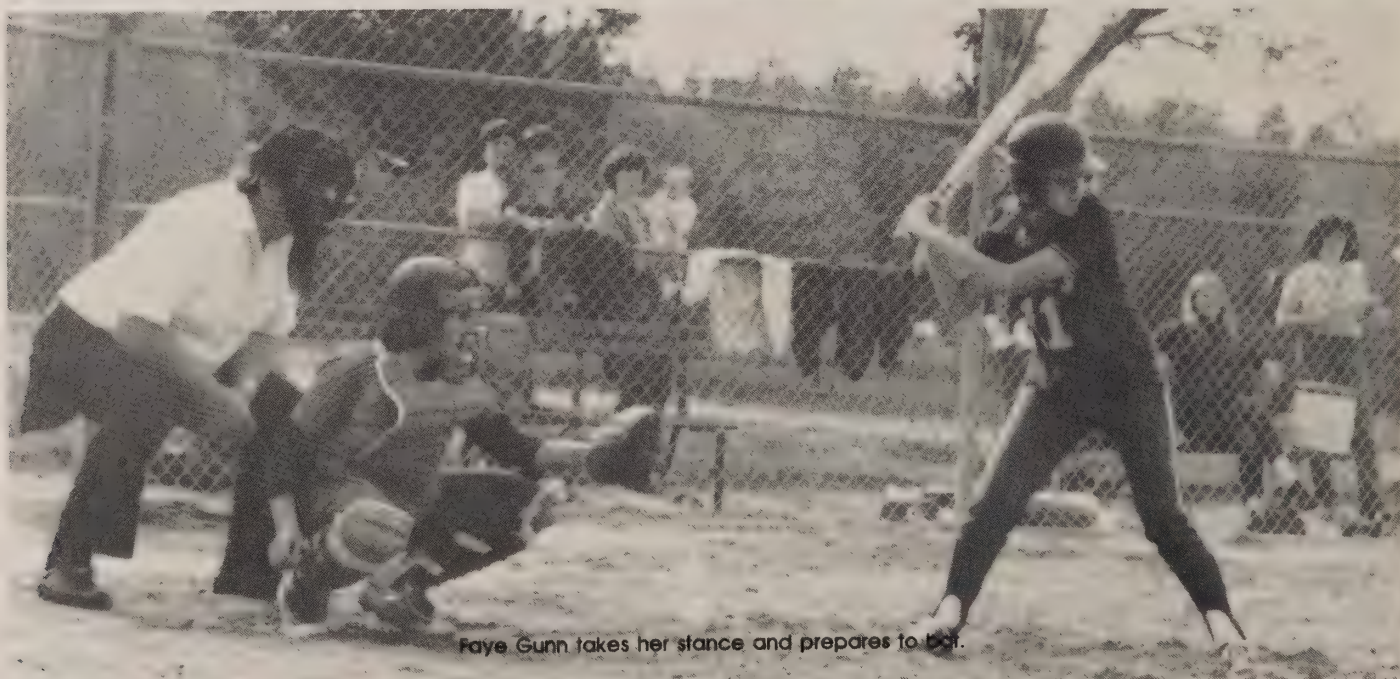

The girls softball team at HHS had a pretty strong year. Their record of 10-8 is deceiving because the team barely missed going to the district playoffs. Coach Jane Bishop said, "The girls showed spirit and cooperation throughout the whole year. They never gave up."

They have a good future with Stacy Boyette, who will be pitching. Other returners include Vickie Casey, Faye Gunn, Tamera Sweltzer, Caprice Kitchen, Verna Marshall, Tara Harper, and many others which will make the year 1981 a hopeful one for the Hopewell High School Devillettes.

DEVILS GOLFERS FACE REBUILDING YEAR

"The future looks good for Hopewell golf," said Coach Bill Littlepage after his young Hopewell golfers faced a tough 0-14 season.

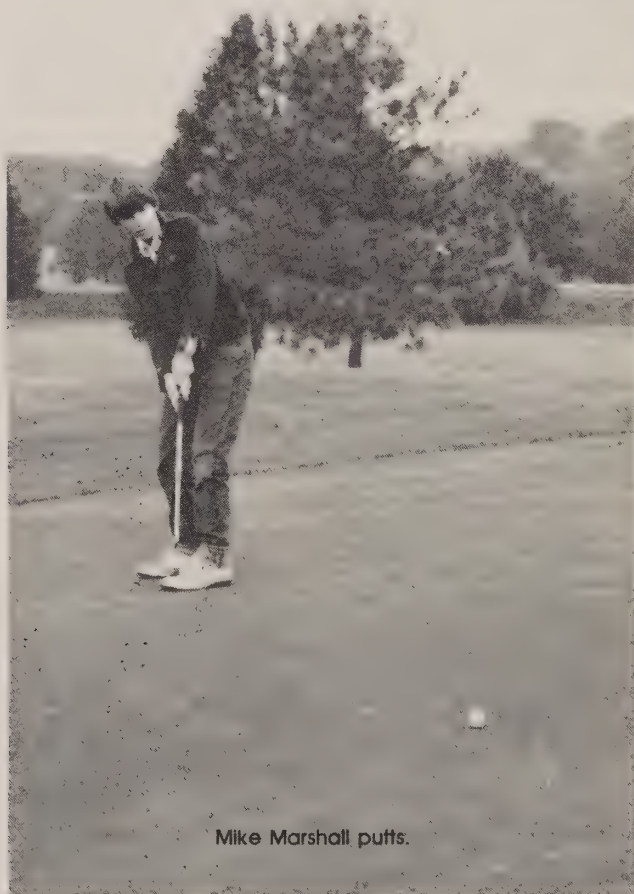

There were a few bright spots in a long season. George Joyce was the team's MVP. Joyce also participated in the Central Regional Golf Tournament.

The team captain, Mike Gordon, received the Optimist Club President's Award. The team did have a few good matches. They came within 6 strokes of beating Thomas Dale and Petersburg.

The team had quite a few young players. The only Junior on the team was George Joyce. The Sophomores included Darren Bennett, Jay Daniel, and Mike Marshall. The team had two freshmen in Brian Lassiter and John Doulis.

The Devils did face two close matches. They lost to Petersburg 181-187. The Devils stayed with the Crimson Wave golfers, but lost in the end by six strokes. In another heartbreaker, they suffered a six point loss again, this time to Thomas Dale. The final score of that competition was 232-238. It was a bitter disappointment to lose to such rivals.

GIRLS TENNIS

The HHS girls Tennis team had another fine year. Sherry Eliades, Kathy Bercaw, and Cheryl Butler showed leadership as seniors. Juniors Anne Geib, Cindy Ameen, and Julia Brown will be great assets to the team next year. The team will lose 2 out of their 6 top seeds due to graduation. The HHS girls Tennis Team will look good again next year because they are still very young. The tennis team at HHS is steadily improving.

VARSITY FOOTBALL

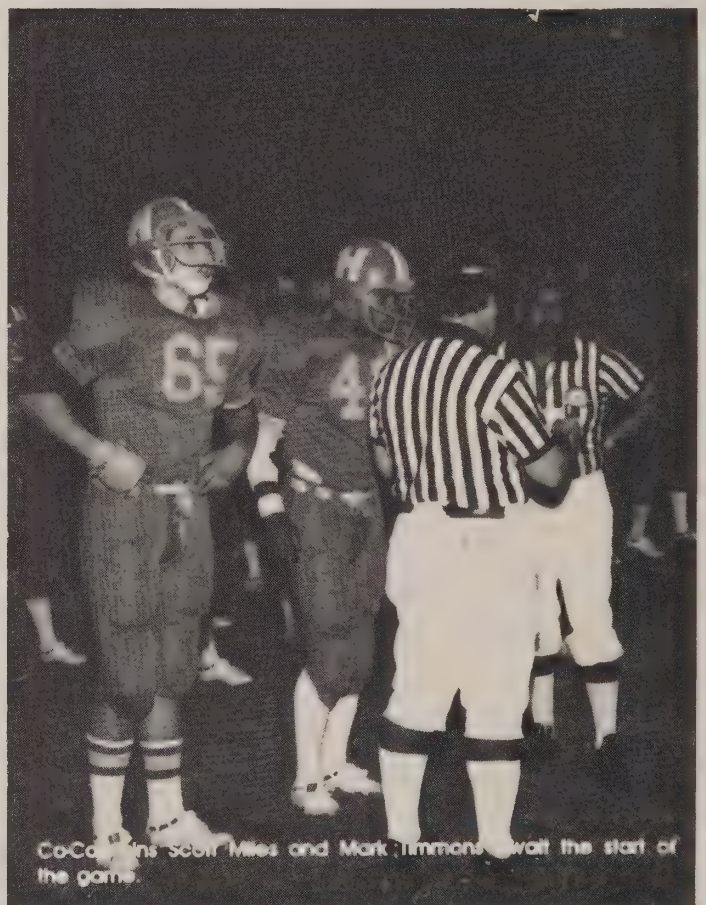

The HHS Football team have just had their first winning season under Coach Larry Carter. In the past 3 years at HHS, The Blue Devils have compiled a 16 and 14 record. Alphonso Harris shattered Blue Devil records with a 1,000 plus yardage season. Harris rushed for 317 yards against Prince George. Senior Co-Captains Scott Miles and Mark Timmons will be hard to replace. Miles anchored the line while Timmons played in the backfield. We at Hopewell High School feel that our football team will be a good one for many years to come.

DEVILS

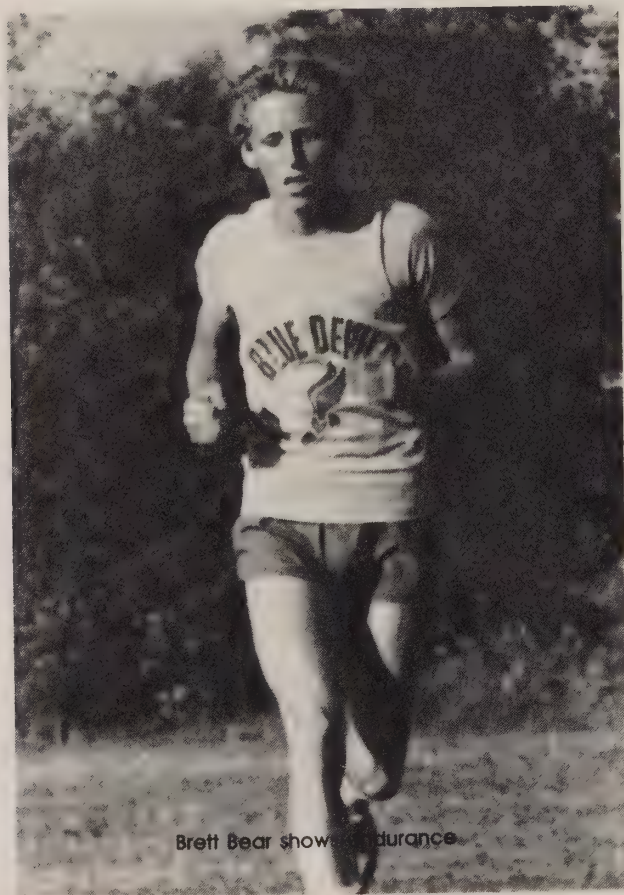

Coach Harry Bradley discusses strategy with team during time out.

Coach Harry Bradley and his Junior Varsity Basketball Team compiled another strong season. The Baby Hopewell Blue Devils used a transition offense mixed with a tough defense. Regan Drew and Von Allen proved to opposing teams that Hopewell had an outside attack while Brian Green and Billy Joyner controlled the boards. Ricky Marshall acted as the team's point guard. The team did face two tough losses in the hands of Tabb and Marshall-Walker. Coach Bradley quotes, "I make it a point never to lose to the same team twice." The Team did avenge the loss to Tabb by coming back and beating them by 20 points in their rematch. The majority of this team will be on the 1981-82 Hopewell Blue Devil Varsity Team. Their shooting ability should prove to be a good asset to Hopewell Varsity Coach Bill Littlepage next year.

The Devil runners will miss Hyatt, Szafranski and other improved seniors, Danny Morris and John Aponte due to graduation. The future looks bright due to the return of Summerfield, Beckner, Bear, and Hazelwood.

HOPEWELL'S GIRL'S BASKETBALL

The HHS Girls' Basketball Team under Coach Jane Bishop experienced another successful season. Vickie Casey, Diane Lee, Stacey Boyette and Rose Camacho were all bright spots on the team this year.

• HHS SHOOTING STARS

The Hopewell Blue Devils under Coach Bill Littlepage had another successful basketball season, going into the district tournament with a 14-2 record. The Blue Devils sprinting off to one of its best seasons, went undefeated for 10 successive games. Coach Littlepage won his 300th victory as coach for the Devils with the 60-59 victory over Monacan.

Michael Brown does his thing!

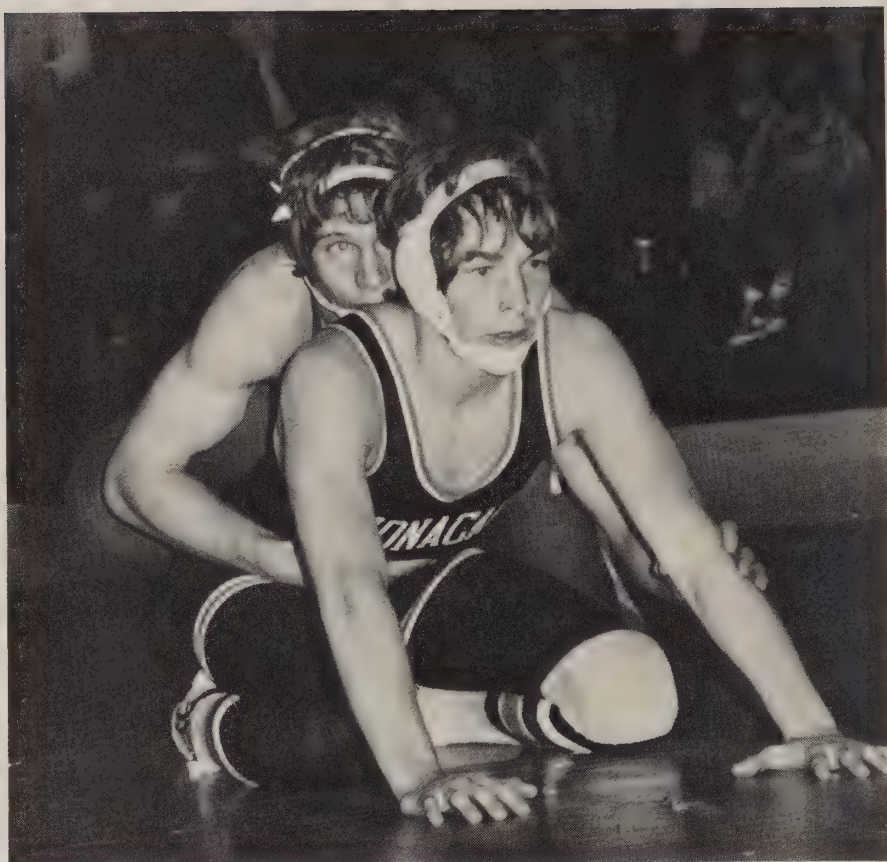

Co-captains Jacoby Wheeler (Senior) and Michael Brown (Junior) led the Blue Devils in scoring this year. Brown is the #1 scorer in the state with a 26-plus scoring average. Wheeler, right behind Brown, is ranked #2 in the District with a 19 point scoring average. This one-two punch has rattled many teams as Wheeler takes the perimeter jumper and Brown slam-dunks. The Blue Devils delighted fans with fast breaks which usually ended in a Wheeler behind-the-back pass and a Brown dunk. Gerald McCray and Edward Moe Hill joined Brown as Chairmen of the Boards. Alphonso Harris joined Wheeler in the backcourt.

A once young H.H.S. Wrestling Team, under the direction of Coach Ray Ward, is now an experienced winning team. Senior Kyle Davis is now in his fourth year and knows how to win. Junior Greg Bartlett is now in his third year and is getting stronger as he goes along. The Devils are still young; however, with only 3 seniors on the whole team. Joining Davis is Jimmy Patterson and Richard Kanak. The team is dominated by returning Juniors Greg Bartlett and Ron Hann. Coach Ward gets most of his wrestlers from Mallonee, during their Freshman year. Coach Ward runs a good program at Hopewell.

1981 KALEIDOSCOPE STAFF

Presenting the Kaleidoscope Staff . . . 17 students dedicated to producing the best yearbook ever! The Yearbook Staff had a new advantage this year; a class called Photojournalism. This class gave the staff an extra hour to work on the yearbook and to learn fundamentals of the production of a yearbook. They worked hard for six months and they feel they have published a quality book. Now it's time to introduce our "K" Staff . . .

BROWN BAGGIN' IT

At the end of May a new activity was held at Hope-well High School. We had our first outdoor concert which featured the band *Tierra*. The band consisted of several high school Seniors. Mixed Company also sang several numbers that everyone enjoyed.

The concert was held in the courtyard and a picnic lunch was served during both lunch periods. People were inspired by the warm weather and the opportunity to spend leisure time with friends. Dancers, talkers, singers, and jokers were at their best.

Everyone had a wonderful time and Mr. Nicholas is looking forward to providing many more activities for the student body.

May 24, 1980 holds special memories for those who attended the Junior-Senior Prom. The theme of this year's Prom was "Come Sail Away". The Juniors worked very hard to get ready for this dance. Leadbetter Gymnasium was soon transformed into a harbor with real nets, shells, anchors, pilings, and two authentic fountains. The auxiliary gym was set aside for prom portraits to be taken. Each couple received favors as memoirs of their Prom.

The attire was formal, so most of the gentlemen wore tuxedos, while the ladies were dressed in formal evening gowns.

The band who played for the dance was CRIMSON. Everyone seemed to enjoy them because they played a wide variety of music. Beverly Brinkley was crowned as 1980's Prom Queen.

All in all, the Junior-Senior Prom was a night no one would soon forget.

JUNIOR GIRLS COMPETE FOR

Kimberly Bell

Lana Smith

Angela Bennett

March 15th was a special night for 64 Junior Girls. This was the night of the Miss Hopewell High Pageant. Everyone worked hard the week before at practices learning how to walk, smile and turn. "How will we ever be ready in time?", thought everyone, but they all managed to pull together for a fine pageant.

The theme of this year's pageant was "Searching For A Rainbow." The stage was decorated beautifully with a rainbow and a shining pot of gold at the end. Charlie Dane was our Master of Ceremonies. He read the introductions that the girls had written as each one took her walk. The girls were judged on poise and appearance. Each girl wore a formal evening gown and appeared on stage briefly for each judge to see. This was a very important first impression to make.

The competition was broken down into a final 20, then a final 10. Tension mounted as the finalists were named. Then the moment came—Meloney Manikus was crowned as the 1980 Miss Hopewell High with June Kelly as 1st runner-up, and Sherry Gill as 2nd runner-up. Karen Johnson was named Miss Congeniality.

The pageant turned out to be a success and raised a great deal of money for the Junior-Senior Prom.

SENIOR GIRLS AT THEIR BEST

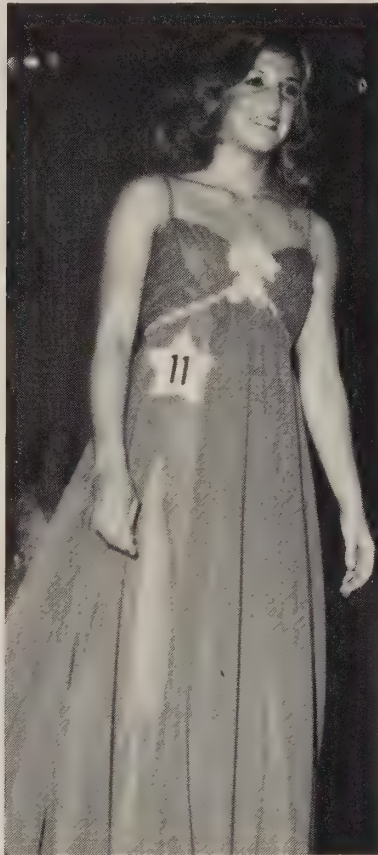

The theme of the 1980 Junior Miss Pageant was "Dixieland". This pageant was held on September 26 and 27 at Hopewell High School.

Practices, dinners, and lots of outings were planned for the contestants in the pageant.

The pageant is judged in several different areas. They are: poise and appearance, youth fitness, scholastic achievement, creative and performing arts, and judges' interviews. Friday night the Hopewell contestants performed their talent and Saturday they did their youth fitness and poise and appearance routines. The five finalists were then chosen. They were Carla Honeycutt, who sang and danced to "Life Upon the Wicked Stage", Angela Bennett who danced and did gymnastics to "The Wizard of Oz," Laura Garrett, who did gymnastics to "Theme from Love Story," Susan Atwater, who danced a toe routine to "Synchopated Clock" and Melissa Bowling, who sang and played the piano to "I've Got Rhythm".

Each finalist was then asked a question. These questions were answered spontaneously by the contestants and many felt this to be one of the harder sections of the pageant.

Finally, the winners were named. Second runner-up was Susan Atwater, first runner-up was Laura Lee Garrett, and Junior Miss of 1980, Miss *Melissa Bowling*. Lori Chevalier was named as the Spirit of Junior Miss by the other contestants.

REPRESENTING EACH CLASS

Everyone will remember the 1980 Homecoming. It was kicked off by an assembly introducing all Homecoming Princesses. A reception was held in the library by SCA for all princesses and their escorts following the assembly. We also had a surprise pep rally to "get psyched" for the game.

The football game that was scheduled for Friday night was cancelled until Saturday night because of inclement weather. The Homecoming dance was still held, however, and was a great success. DREAM was our band.

On Saturday night at half-time, the winners were named. They were, June Kelly, second runner-up, Karen Johnson, first runner-up, and Tracey Ingram—Homecoming Queen of 1980.

October 11 was the date of the 1980 Junior Ring Dance. It is at this dance that Junior students receive their symbol of their high school years—their high school ring. This year the students were able to design their own ring, making each ring unique.

REUNION was the band that played for the Ring Dance. Everyone had a wonderful time at the 1980 Ring Dance.

SENIOR GUYS—Beauties

On Saturday, February 7, 1981, the "macho men" of the senior class became "tres chic" for an evening. Twenty-four beavy of beauties pranced across the stage to impress the three judges Mrs. Carole White, Mr. Charlie Dane, and Mr. Charlie Booker. The theme of the pageant was "California Girls" and in all truth, these beauties put east coast girls to shame with their dancing, poise and . . . legs. Nick Klonis captured the title of Senior Mister and the 1st runner up was Terry Frazier, 2nd runner up was Bowen Hyatt. Terry McClelland was voted Mr. Congeniality, and Joey

Edwards was voted Mr. Physical Fitness. A fun evening is all helped the Senior class raise close to \$800.00.

80-81 PROVES SUCCESSFUL TO DEBATORS

This year, the Debate Team dealt with the topic of "Consumer Safety" set by the Virginia High School League guidelines. The team has traveled around the state and attended tournaments at the University of Virginia, VMI, James Madison University, and several high schools within the state. At Meadowbrook, the Debate Team established its prestige with an outstanding showing. During the tournament, all the participants in the "four man" and "switch side" teams won awards, giving the team a chance to participate in the district and regional tournaments.

**FRATERNAL ORDER OF POLICE
HOPEWELL LODGE NO. 17
FRATERNAL ORDER OF POLICE ASSOCIATES**

PRESERVING LAW AND ORDER IN THE COMMUNITY IS THE GOAL OF THE FRATERNAL ORDER OF POLICE AND THE FRATERNAL ORDER OF POLICE ASSOCIATES. THESE TWO ORGANIZATIONS COMPRISE HOPEWELL'S DUTY BOUND POLICE DEPARTMENT WITH ITS PATROLMEN, DETECTIVES, AND SUPERIOR OFFICERS, WITH ITS PLATE OF OFFICERS. THE FOP AND THE FOPA TRY TO IMPROVE THE RELATIONSHIP OF THE COMMUNITY WITH THE POLICE DEPARTMENT. THE ORDER HOLDS REGULAR MEETINGS AND PRACTICES AT ITS CLUBHOUSE OUTSIDE THE CITY. IN SUMMARY, HOPEWELL NEEDS THE FRATERNAL ORDER OF POLICE AND THE FRATERNAL ORDER OF POLICE ASSOCIATES TO INSURE ITS CITIZENS SAFETY FROM HARM AND LAW AND ORDER.

PRESTIGE PORTRAIT

RICHMOND, VIRGINIA

Compliments of

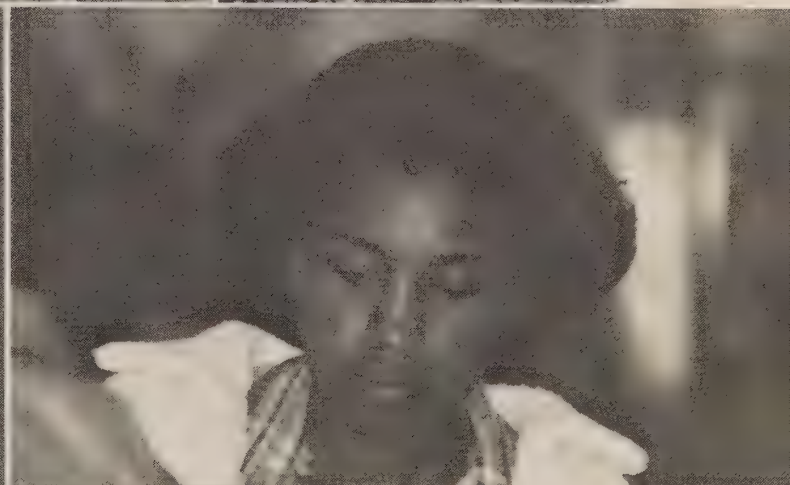

Josten's
your ring
company

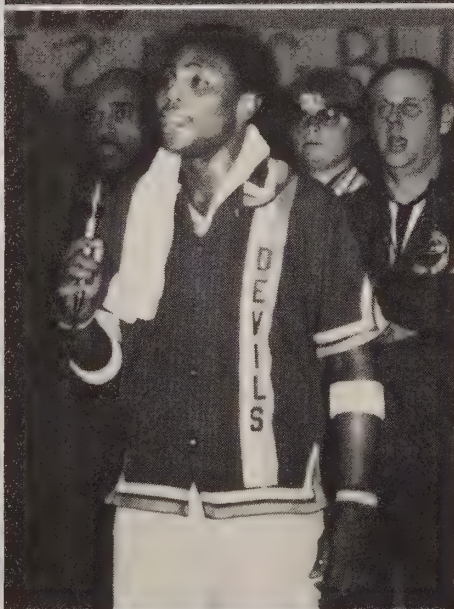

Remember the times you had just settled in for a "long winter's nap" in first period when somewhere in the distance you heard the tiny voice of the teacher say "pop quiz!"?

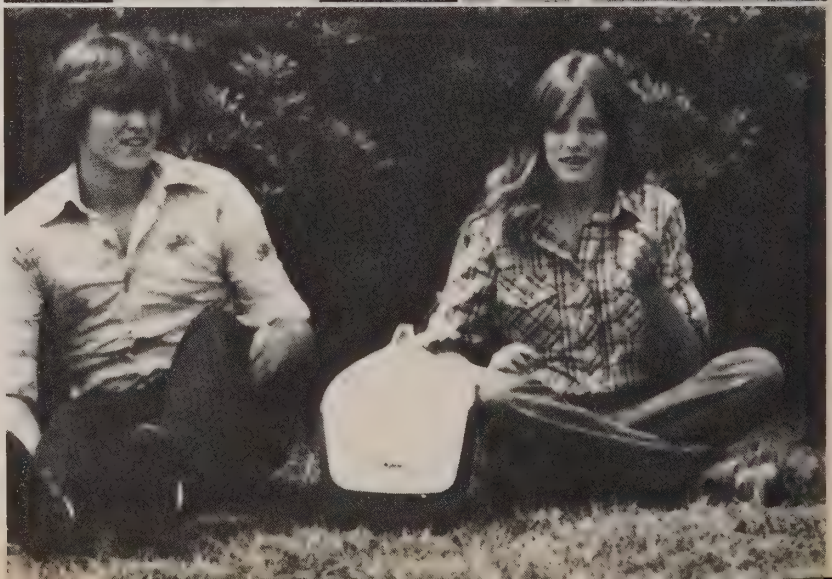

Remember the bell that rang
at 7:53 every morning just
as you slammed the book
you needed in your best friends
locker?

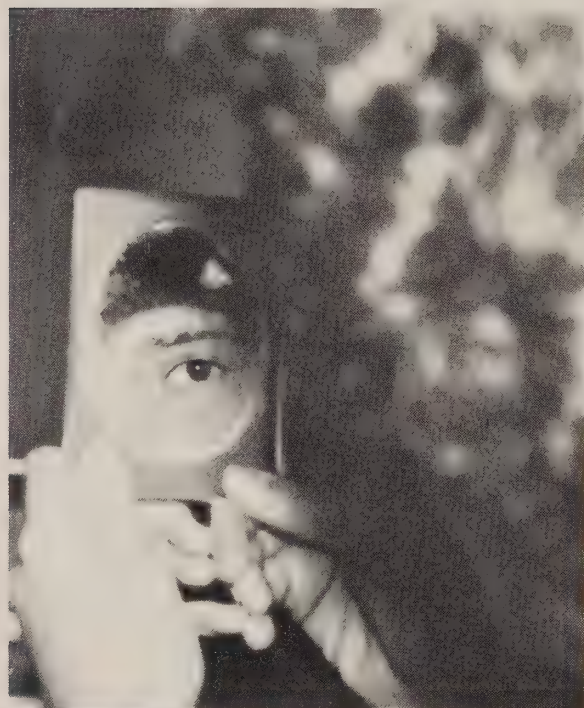

Remember 'All' the
discussions every Monday
about the past weekend's
"events?"

Remember the lump in your
throat when you got
yelled at in class or
sometimes even praised...

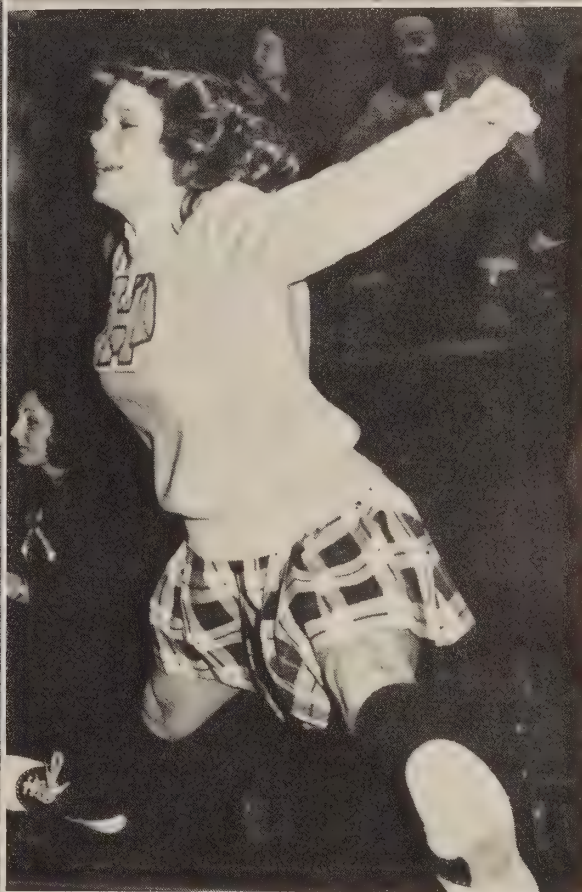

Remember the times you
spent "hanging out"
with old friends, new friends,
and some you weren't so
sure about!?

HHS

There's a little devil in all of us.

Remember how many times
you heard "Embarrassing!"
or "He's a Pudge." or "Dog'em!"
or the best yet "I Likes dat."

So here we are...

at the end of our line. We've reached the Ultimate Goal: Graduation.

It seems just like yesterday we were walking through the halls trying to find our rooms. We still remember all the fun + crazy times of our highschool days, Even with all of the homework and tests.

Now as we file up the steps one by one to get that hard earned diploma, we realize what is really taking place. This is it. After graduation there is the Senior party. Hugs and well wishes are exchanged. Promises are made never to forget. And so this yearbook stands, As an everlasting Memory to the class of 1981.

Some people we will see again, while others we shall not. But together we've made great memories that we will never forget!
